## INTERIOR SIGNAGE

PLV

The first issue of signage is the best visibility and readability of information. In this way, the colors, typography and logo-type adapted to the media will be applied in a relevant way. Signage design is the art of knowing how to transmit important information while integrating it perfectly into its environment and giving it an aesthetic that even allows it to become a real object of enhancement of the place.

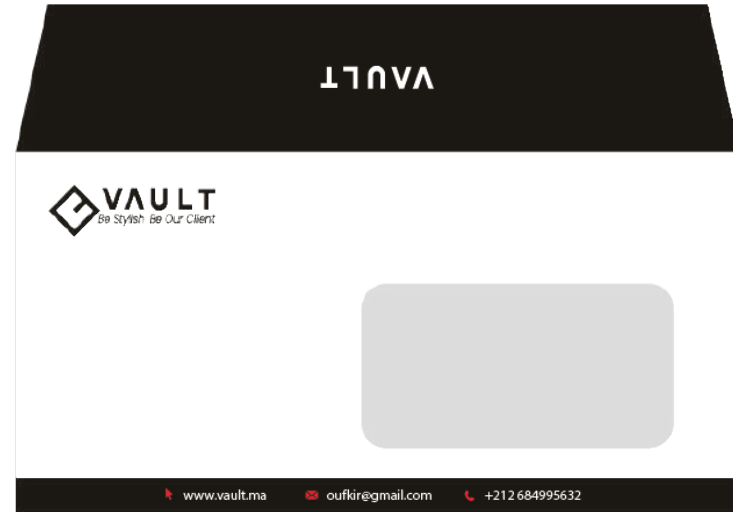

The image features the numbers '05' rendered in a large, orange, hollow outline font. The '0' is a simple oval shape, and the '5' is a stylized, blocky numeral. The text 'CHAPTER FIVE' and 'PRINTS' is centered within the space between the two numbers.
